# Filling the Gap

**Bandwidth**

**LoRaWAN**<sup>®</sup>

**Range**

**LoRaWAN<sup>®</sup> with The People's Network**

A dark blue world map with numerous bright green dots scattered across the continents, representing the global LoRaWAN network. The dots are most densely packed in North America, Europe, and parts of Asia.

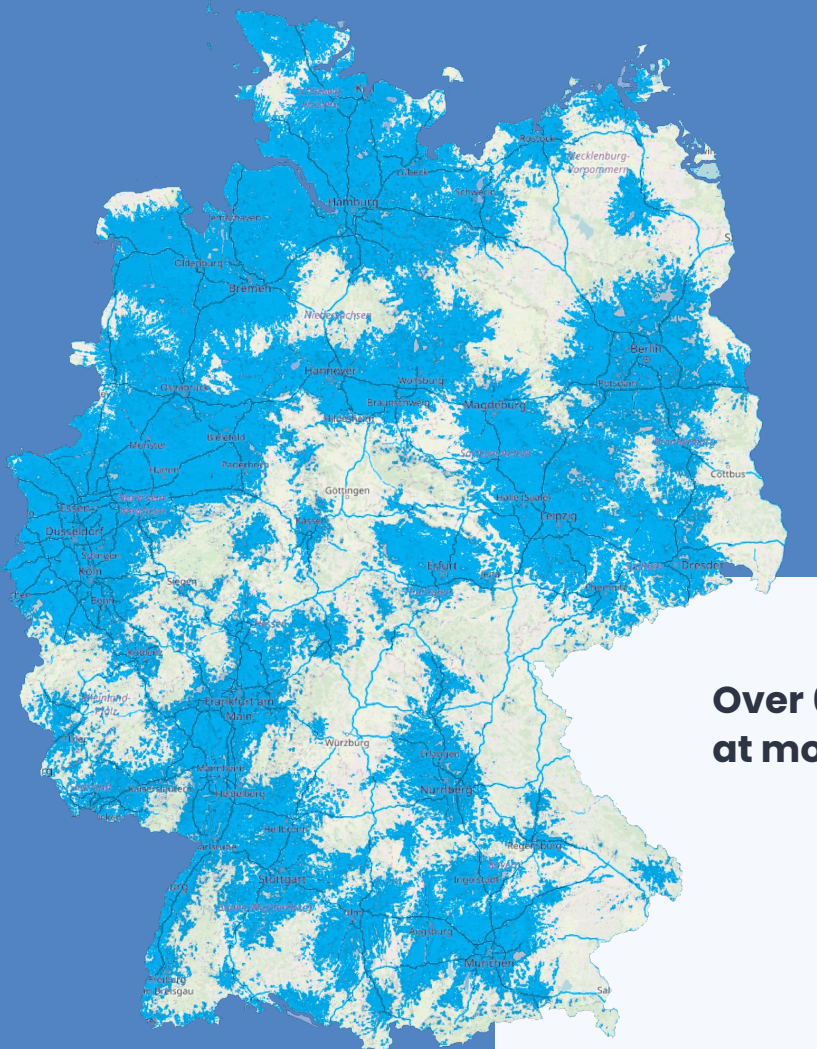

**Largest public IoT network in the world!**  
**Fastest rollout of a global wireless network in history!**

## Example Germany

# *Nationwide LoRaWAN® Coverage*

**Over 60 million residents reached  
at more than 10.000 LoRaWAN® radio sites**

- ❖ In urban centers up to 99% LoRaWAN®
- ❖ In urban areas up to 80% LoRaWAN®
